The members of the music ministry of St. Christopher's Church are happy to help you to prepare the music for your wedding. We offer the following for your selection:

Organist Celtic Harpist Soloist Duet Singers Other _____

The instrumentalist(s) will be present at your rehearsal, at no additional fee, to address any final questions regarding the music.

To assure that the music for your wedding will be excellent, instrumentalists or soloists who are not members of the music ministry at St. Christopher's Church need the approval of the Director of Music Ministry. This will require at least one extra rehearsal with those instrumentalists or soloists and will require an additional fee.

Please contact the Director of Music Ministry to review the following planning sheet and select the music for your wedding. A tape is available for you to listen to selections with which you are not familiar.
