Playground Update

The Knights of Columbus have been generous enough to help with the improvement of our playground. The Knights of Columbus will be providing the manpower and splitting the expense of the lumber to help add wood mulch chips to our playground. They have also found someone to donate the wood mulch chips for our playground. With these improvements, it will allow us to use the playground more after rainy/wet weather.

Our portion of the expense will be paid from the monies collected from one of our lunch bunch fundraisers.

We would like to thank the Knights of Columbus for their generosity and support!
