

Confirmation Community Service

Student Name _____ Teacher: _____

Service Projects (current school yr)	Description	Authorized Signature (if required)	Date
1)			
2)			
3)			

Track your service above. We will collect all sheets on April 28th to credit your service. If you have not met your requirements, the sheet will be returned to you for completion. For non-parish related activities, please write down the date of service, a brief description, and have an appropriate adult sign off on your work. Be proud of your contributions! If students already perform community service with their families or activity group, 2 may be credited to service.
